

Acc. No.	Book name
399125	physiology bichemistry and biotechnology
399126	green development
399127	Plant Conservation Biotechnology
399128	Encyclopaedia of Biostatistics
399129	Encyclopaedia of Biostatistics
399130	Encyclopaedia of Biostatistics
399131	Encyclopaedia of Biostatistics
399132	encylopedia of BIOstatistics
399133	Biofuels, solar and wind as Renewable Energy systems
399134	land use diversification for sustainable rainfed agriculture
399135	Nanomedicine
399136	global marketing in india
399137	wetlands: functioning.....
399138	nanotechnology
399140	encyclopedia of remote sensing and geoinformatics
399141	Advances In Plant Physiology
399142	Ecology and Conservation
399143	Business Logistics Management
399146	Encyclopaedia Of Bioinformatics
399147	Encyclopedia of Bioinformatics
399148	Encyclopedia of Bioinformatis
399149	Encyclopaedia of Bioinformatics
399150	Case Studies in Marketing Management
399151	Global marketing management
399152	Science & Technology Of Nanomaterials
399153	conservation linking ecology, economics, and culture
399154	remote sensing
399155	Industrial Technology
399156	encylopedia of BIOstatistics
399157	Encyclopedia of Biostatics
399158	Encyclopedia of Biostatics
399159	threatned wild medicinal plants
399160	handbook medicinal plants
399161	Basics of Biodiversity
399162	Agricultural and industrial applications of biotechnology
399163	Applied Biotechnology
399165	nanotechnology In health and lifescience
399166	Bioresource and environment
399167	developments in nanotechnology
399168	The Economy of Nature
399169	toxicology
399170	Marketing Research
399171	Biofuels
399172	enzyme biocatalysis
399550	Bacteria & Viruses
399551	Biodiversity and sustainable development
399552	microbiology and biochemistry
399553	Understanding Nanotechnolgy
399554	Biophysics and instrumentation

399555 modern dictionary of Bioinformatics and biotechnology
399556 metabolism and biogenesis
399566 Biodiversity conservation and Sustainable development
399569 land resource evaluation by remote sensing
399570 global biodiversity conservaton measures
399571 Biodiversity conservation and legal aspects
399572 Biodiversity Conservation & Management
399573 Biodiversity Extinction and conservation
399574 global biodiversity
399575 Biodiversity for Sustainable development
399576 Biodiversity and Sustainable Development
399587 Biodiversity and Natural Product Diversity
399587 Biodiversity and Natural Product Diversity
399960 plant tissue culture and transformation tech
399961 Tropical Trees
399962 structure and functions of White clover root systems
399963 Biotechnology and plant disease management
399965 Soiless Gardening
399966 Enzyme Reaction Engineering
399967 Farming systems development and soil conservation
399969 Mulberry for Animal Production
399970 Endangered Wetlands
399971 Multifacial application of Drug plants
399972 useful indian herbs
399976 Environmental Biotechnolgy and Biodiversity consevation
399977 Horticultare Marketting
399978 synthetic plant growth regulators
399979 genes genomes and genomics
399980 Wild edible Fungi
399982 A Textbook Of BioAnalysis
399983 Community participation in natural resource management
399985 handbook of medicinal plants
399986 Fruit and Vegetable Biotechnology
399987 fruit and vegetable biotechnology
399988 vermicomposting for sustainable agriculture
399989 plant physiology for sustainable agriculture
399990 herbal simples and extracts for medicinal use
399991 Plant Compost Manual and agrochemicals analysis
399992 plant compost -manure and Agro-chemicals Analysis
399993 nutritional biochemistry and metabolism
399995 plant conservation biotechnology
399996 Microbial Biotechnology
576278 enzyme biotechnology
576357 Agrobiodiversity: Characterisation, Utilisation and Management
576358 Azolla Biofertiliser For Sustainable Rice Production
576359 Bioactive Medicinal Plants
576360 Biocatalysts and Bioenergy
576362 Biodiversity in India
576363 Biodiversity in india
576364 Biodiversity in India

576365 Biodiversity in India
576366 the biodiversity of Microorganisms and invertebrates: Its role in sus
576368 Biofertilizer technology
576369 Biofertilisers and Organic Farming
576370 Bioprocess Technology
576371 Bioreactors for tissue Engineering
576372 Bioresources and Genepool Conservation
576374 Biotechnology in India II
576375 Biotechnology Management
576376 earthworms in agriculture
576377 the economics of international trade.....
576379 Enzyme Reaction Engineering
576381 forest environment and biodiversity
576383 glimpses of cyanobacteria
576385 organic farming
576386 organic farming
576387 Managing Plant Genetic Diversity
576389 natural resources and renewable energy
576390 non-timber forest products og india
576393 Principles Of Proteomics
576394 Advances in fermentation technology
576395 Agriculture organic waste
576397 Bioactive molecules and medicinal plants
576398 Biodiversity and Natural Product Diversity
576400 Biodiversity, Sustainability and Human Communities
576404 Current topics on Bioprocess in food industry
576405 Forest Biodiversity
576406 Forest biodiversity
576407 genomics proteomics and vaccines
576408 A handbook of Aromatic and essential oil plants
576409 introduction to Biodeterioration
576410 Microbial Diversity and Ecosystem Function
576412 proteomics in functional Genomics
576416 Bioinoculants A step towards sustainable Agriculture
576417 Collecting plant genetic diversity
576418 micropropagation of Horticultural crops
576419 Current topics on Bioprocess in food industry
576419 Bioprocesses in food Industry
576420 enzyme technology
576421 Forest Biodiversity
576424 handbook of biofertilisers
576426 introductory practical biostatistics
576427 Microbes
576428 Mycorrhizal symbiosis
576429 natural resources and sustainability of indian society
576430 new trends in green chenistry
576431 proteomics
576432 Source book of enzymes
576538 biodiversity information
576739 agrofood

577117 Biogas from waste and renewable resources
579389 Handbook of Organic Farming and biofertilizers
640058 Chromatographic methods

640574 Plant physiology
640575 microbiology
640576 Plant physiology
640577 Principles and Techniques Of Biochemistry and Molecular Biology
640662 Alternative energy systems and applications
640663 globalization and its impact on indian economy
640664 globalization and its impact on indian economy
640665 genetics resources and traditional knowledge
641210 herbal drugs and phytopharmaceuticals
641602 handbook of plant-based biofuels
641603 Bioindustry ethics
641760 handbook of bioenergy crops
641761 natural resources and economic development
641762 Microbial Biopesticides
641995 Biochemistry of Plant secondary metabolism
641996 Biochemistry & Molecular biology of plants
641997 fundamentals of Biochemistry
642000 Fundamentals Of Biostatistics
642047 fundamentals of applied statistics
642049 Molecular Biotechnology
642302 the new industrial revolution.....
642303 biodiversity in horticulture crops
642304 biodiversity in horticultural crops
642305 Biodiversity in Horticultural Crops
643083 molecular biology of the Cell
643085 microbiology
