

Minutes of the meeting of Board of Research Studies in Biological Sciences held on 08-02-2020 at 11:00 A.M. in the Committee Room of the Administration Block.

- 1) Prof. Talat Ahmad
Vice-Chancellor Chairman
- 2) Prof. Zafar A. Reshi
Dean Research
- 3) Prof. Akbar Masood
Dean Academic Affairs
- 4) Prof. Irshad A. Nawchoo
Deans, School of Biological Sciences
- 5) Registrar
- 6) Head, Deptt. of Biotechnonology
- 7) Director, CORD
- 8) Head, Deptt. of Botany
- 9) Head, Deptt. of Zoology
- 10) Head, Deptt. of Biochemistry ✓
- 11) Coordinator, Deptt. of Nanotechnology
- 12) Coordinator, Bioresources Programme ✓
Assistant Registrar Research was also present during the meeting.

At the outset, Dean Research requested the Hon'ble Vice-Chancellor for his valuable introductory remarks.. The Vice-Chancellor in his introductory remarks desired that:

1. Meetings of the Board of Research Studies should be held regularly after every six months so that the scholars do not suffer for want of their timely registration for research degree programmes.
2. Scholars should be advised to give presentation about their research works after every six months as provided in the statutes so that work done is assessed and timely suggestions for improvement of research are provided to the scholars
3. Candidates having qualified JRF/NET / SET/GATE and other similar UGC accredited tests need to be encouraged for admission to research programmes.
4. Faculty members need to submit research proposals for funding to the funding agencies so that the scholars not in receipt of fellowships/scholarships are provided financial and other support.

In his remarks, Dean Research made the following remarks:

1. Quality research has been the hallmark of the School of Biological Sciences based on third-party evaluation of research quality carried out various departments/centres of

the University. However, there are variations in the quality of research across departments in the School and across supervisors in a department of the School.

2. Not many synopses have supervisors across departments which reflects poorly on the much needed interdisciplinary research in the university. In this regard, collaborations with SKIMS, Animal Husbandry deptt, Wildlife deptt. Forest Department and similar departments need to be initiated and strengthened so as to focus on the problems that are directly relevant to the society and would create national centres of excellence in some particular areas.
3. Delay in conduct of examination of three theory papers/BORS/Entrance Test for admission to research degree programmes/ communication of vacancies to the office of Dean Research hinders timely conduct of Boards of Research Studies and issuance of admission notification for research degree programmes.
4. Timely sanction and release of university fellowships in favour of bonafide and deserving scholars needs to be ensured by the concerned Deans' of the Schools.
5. Strict adherence to the statutes governing the research degree programmes, including having HVC's nominee on the DRC, meetings of RPAC etc.

Subsequently agenda was taken up for discussion.

Item
No. 01 **Perused the action taken report on the minutes of the last meeting of the BORS in Biological Sciences held on 10-11-2017.**

Resolved that the action taken report on the minutes of the last meeting of BORS in Biological Sciences held on 10-01-2017, be placed on records.

Item
No. 02 **Confirmation of the minutes of the BORS meeting held on 10-11-2017 in Biological Sciences (already circulated).**

Resolved that the minutes of the last meeting of the BORS in Biological Sciences held on 10-11-2017, be confirmed.

Item
No. 03 **To ratify the action taken by the Hon'ble Vice-Chancellor in having authorized recognition of Dr. Tabasum Rashid, Assistant Professor Department of Biochemistry, GMC, Sgr. as co-supervisor in the discipline of Biochemistry**

Resolved that action taken by the Vice-Chancellor, be ratified.

Item
No. 04 **To consider recommendations of the Departmental Research Committees of the Departments of Biotechnology, Biochemistry, Bioresources and CORD for recognition of Ramanujan Fellow/ Ramalingaswami Fellow / INPIRE Fellows as co-supervisor in the relevant disciplines.**

After threadbare discussion on the matter, BORS recommended that Ramanujan Fellows/ Ramalingaswami Fellows **be recommended to the competent bodies for recognition as Supervisors instead of Co-supervisors (as provided presently in the statutes).**

However, **INPIRE Fellows** be treated as Co-supervisors in the respective disciplines as provided in the statutes currently in vogue:

Item

No. 05

Issue regarding completion of mandatory residency period by part-time Ph.D scholar, Mr. Shabeer Ahmad, Deptt of Zoology during vacations.

Residency period put in by Mr. Shabeer Ahmad, part-time scholar during winter vacations be accepted in view of the fact that HOD has certified that Department was open and Supervisor was available during the said period.

Item

No. 06

To consider the request of Mr. Zahoor Ahmad Dar, 3 year I-PhD scholar for keeping registration of his research programme in abeyance.

Registration of the Scholar be kept in abeyance as provided under statutes.

Item

No. 07

To consider recommendations of the Departmental Committee of the Department of Nanotechnology for recognition of the Department as Research Centre.

Proposal for recognition of the Department of Nanotechnology as Research Center in the discipline of Nanotechnology endorsed for approval of the statutory bodies, including Research Council, Syndicate and University Research Council).

Item

No. 08

To consider request made by Director CORD for introduction of research programme in Microbiology in the Centre.

Since CORD does not have sufficient number of faculty members with specialization in Microbiology, it cannot be recognized as Research Center for conduct of research in Microbiology. However, eligible candidates can be considered for admission under the allied subject category as provided under the present statutes.

Item

No. 09

To consider the request made by Mr. Ali Abbas Rather Ph.D Scholar, Department of Botany for change of mode of registration from whole-time to Part-time.

Presently provision for change of mode of registration from whole-time to part-time is not available in the statutes. However this modification has already been endorsed by University Research Council and once approved by competent bodies, case shall be considered accordingly.

Item
No. 10

To consider the recommendations of the Departmental Research Committee Department of Biotechnology for change of topic of research allotted to Ph.D Scholar Ms. Romana Rashid.

Resolved that change of topic of research for the research scholar recommended by the DRC, be authorized. Revised topic of research for the scholar will be as under:

**“Understanding the role of inner nuclear membrane protein
NURI in genome stability”**

Item
No. 11

To consider the recommendations of DRC, Deptt of Botany for condonation of registration period in favour of Ph.D Scholar Riyaz Ahmad Mir, Department of Botany

In view of exhaustion of all the statutory provisions, condonation requested for is not maintainable under the statutes. However, the candidate may apply for fresh admission to the research programme under the statutes currently in vogue.

Item
No.12

To consider grant of registration in favour of the candidates listed in annexure A to E for pursuit of Ph.D/3-year Integrated Ph.D programme programme on whole-time/part-time basis in following disciplines/subjects:-

- | | | |
|-------------------------|------------------|-------------------|
| A. Biotechnology | B. CORD | C. Zoology |
| D. Biochemistry | E. Botany | |

Resolved that subject to fulfillment of statutory requirements and conditions (if any) in the remarks column shown against each candidates listed in annexures “A” to “E” be registered for pursuit of Ph.D / Integrated M.Phil & Ph. D programme on whole-time/part-time basis.

**Item
No.2**

To consider the request of Director, Sheep Husbandry, Kashmir for signing of MoU for joint research and academic collaboration.

Resolved the Dean, School of Biological Sciences shall convene a meeting of Heads/Coordinators/Directors of relevant departments to discuss the matter with the Director, Sheep Husbandry Deptt./ other officers of the Sheep Husbandry Deptt. and prepare a MoU detailing provisions for joint supervision of research students, joint research proposals for funding, reciprocal use of the available facilities, joint seminars and brainstorming/lecture sessions etc. for approval of the authorities. Also possibilities of exhaustive MOUs with SKIMS, SKUAST-Shalimar, and other academic and research institutions be explored for consideration and approval of the competent authority.

Item
No:3

To consider the request made by Dr. Bilal Ahmad Mir, Assistant Professor for recognition as research supervisor in the discipline of Botany.

Resolved that Dr. Bilal Ahmad Mir, Assistant Professor, be recognized as co-supervisor in the discipline of Botany in view of the fact that he is now a faculty member of Ladakh University.

Item
No:4

To consider the representation of Mr. Mudasir Mehraj, (inservice candidate) for joining Integrated M.Phil and Ph.D programme after a gap of one year from the date of selection.

Resolved that the candidate having been already selected but having failed to join research programme in time, be allowed to join the Integrated M.Phil and Ph.D programme in the discipline of through CORD as recommended by DRC and endorsed by Dean, School of Biological Sciences.

Item
No:5

To ratify the action taken by the Hon'ble Vice-Chancellor in having authorized Change of Topic of research and Supervisor allotted to Ph.D Scholar Mr. Bilal Ahmad Reshi, Assistant Professor, (Part-time research Scholar) Deptt. of Biotechnology.

Resolved that action taken by the Vice-Chancellor be ratified. Fresh topic of research and Supervisor allotted to the Scholar is as under

S. No.	Revised proposed topic	Name of Supervisor
1.	Comprehensive analysis of Antioxidant and Anti-inflammatory potential of <i>Cousina thomsonii</i>	Prof. Rais A. Qadri

Item
No:6

To consider recommendations of Departmental Research Committee of the Bio-resources programme regarding late joining of Integrated M.Phil and Ph.D programme by Ms. Seerat Saleem.

Resolved that the candidate (already selected for the research programme but having failed to join due to turmoil in the valley) is deemed to have joined the Integrated M.Phil and Ph.D programme in Bio-resource on 23/11/2019.

Item
No:7

To consider recommendations of Director CORD in respect of residency period (01-11-2012 to 18-02-2013) put in by Mr. Farooq Ahmad Ganie, Ph.D Scholar, Centre of Research for Development (CORD).

Resolved that part of residency period put in by the part-time Scholar from 01/11/2012 to 28/02/2013 certified by the Headmaster, Govt. Girls School,

Tangmarg be accepted after obtaining verification of the same from the office of the concerned Chief Education Officer.
