ABOUT THE UNIVERSITY

The University of Jammu and Kashmir was founded in the year 1948. In the year 1969 it was bifurcated into two full-fledged Universities: University of Kashmir at Srinagar and University of Jammu at Jammu. The University of Kashmir is situated at Hazratbal in Srinagar. It is flanked by the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The tranquil ambience of the Campus provides the right kind of atmosphere for serious study and research.

Over the years the University of Kashmir has expanded substantially. It has established Satellite Campuses at Anantnag (South Campus), Baramulla (North Campus) and Kupwara (Kupwara Campus) to make higher education more accessible to people living in remote areas of Kashmir valley. The University has also established a Sub-Office at Jammu to cater to the needs of the candidates enrolled with the University from outside Kashmir. The University is committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific, business and cultural environment of the region. The University offers programmes in all the major faculties; Arts, Business & Management Studies, Education, Law, Applied Sciences & Technology, Biological Science, Physical & Material Sciences, Social Sciences, Medicine, Dentistry, Engineering, Oriental Learning and Music & Fine Arts. It has been constantly introducing innovative/ new programmes to cater to the needs and demands of the students and the society.

Over the years, the University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade-A+ University by the National Assessment & Accreditation Council (NAAC) of India. This is recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir.

ABOUT THE KASHMIR

Kashmir is the northern most geographical region of the Indian subcontinent. Kashmir's blissful aura can never be expressed in words, Snowy glaciers, pristine lakes, picturesque mountains, dense forests, green meadow and gushing rivers everything about Kashmir is supremely beautiful.

Gulmarg, a popular skiing destination remains covered with snow throughout the year has the world's second highest operating cable car ride at height of 4390 h. Gulmarg and Pahalgam are also home to adventurous sports like white water rafting in summers and skiing in winters which creates adrenaline rush and thrill in venture seekers. Sonamarg the land of Gold Surrounded by Majestic glaciers and serene lakes casts subtle spells on the visitors. The beauty of the valley can not be described in words.

It has to be seen to be cherished in the real sense of the word.

It appears as if Mother Nature has blessed this valley with all her bounty and grandeur.
