The Convenor, Dr. Manzoor A Mir, Coordinator Bioresources presented the Syllabi before the Board of Undergraduate Studies. The members discussed and reviewed the contents of the syllabi at length and after a long discussion and deliberations finally granted approval to the Undergraduate Syllabi based on Choice Based Credit System to be implemented in the Colleges of J and K, affiliated to University of Kashmir, Srinagar from the academic session 2021. Keeping in view the fact that Bioresources offers an integrated approach of teaching and learning with regard to conservation and sustainable use of Biodiversity, the members appreciated the introduction of Bioresources as a subject at Undergraduate level. The members suggested that Bioresources be floated as a subject in Course Basket I to offer an open choice to students without compromising their options of Chemistry, Botany, Zoology and Biotechnology which form the core subjects of the Medical Stream. The members opined that Bioresources should be introduced in more colleges of J and K in near future. The meeting ended with the vote of thanks to the chair.
