Dated: 30-03-21

CERTIFICATE

This is to certify that the project entitled “**Bioinformatic analysis showing prognostic significance of TOP2A in Breast Cancer**” is the work carried out by **PZD Farhana Anjum**, a regular Masters (M.Sc.) student of Department of Bioresources, University, Kashmir. This work has been carried out under my supervision and is being submitted for the first time to the Department of Bioresources, University of Kashmir. The candidate has fulfilled all the requirements and formalities as required under the statutes of the University for the Submission of project work.
